Throughout the school year, Mrs. Ruth Cook helps the students in many various ways. Often it means giving of extra time to fulfill her jobs. We wish to thank you, Mrs. Cook.

Secretaries Aid K.H.S. Students and Faculty

These secretaries of our school, Miss Barbara Young, Mrs. Edith Slaughter, and Mrs. Helen Curths fill an important function in the efficient operation of our school offices. They take care of all monetary matters, order materials and supplies, and help to keep the internal affairs of Kelloggsville running efficiently.

Custodians

Our three hard-working custodians deserve a great deal of credit for keeping our school in such fine condition. They perform such varied duties as cleaning up after dances, keeping the football field in condition, and shoveling snow. These men are often called upon during the year, and they are always reliable and willing to help. To these fine men we extend our grateful thanks.

Preparing to clean the study hall are: Mr. Vernon Marihugh, Mr. Erwin Anders

The Annual Staff begins to organize the yearbook early in September. We finance our *Century* by: selling birthday and calendar advertisements, assembling the hundreds of underclassmen pictures and the numerous activity pictures.

Our Staff works long hours after school, during noon hours, and on Saturdays trying to meet our deadlines and to put out a *Century* that K.H.S. can be proud of always. As you turn these pages, we, the 1962 Annual Staff, hope that they will be a reminder of the past year's events and hope that they bring back fond memories.

We, seniors, walk down the steps of K.H.S. for the last time, knowing that Kelloggsville will always remain a part of us. Now, we, enriched by knowledge, experiences, and memories, step into new horizons.

Best wishes to you in the
coming year Tom and not so
many Browns with Mrs.
Sanders. Jim R.
